

# Digital Government Day 2004

Showcasing Idaho state and local government online applications, products, and services

**Monday, February 9, 2004**

**9 a.m. to 4 p.m. Idaho State Capitol Rotunda, 4th Floor**

Presented by the ITRMC (Information Technology Resource Management Council)

## Booth Participants ...

### **Access Idaho** (<http://www.accessidaho.org>)

As the Gem State's official Web portal, accessidaho.org develops Internet applications, designs websites, and collects online funds for the state as well as its agencies.

### **Department of Administration**

(<http://www2.state.id.us/adm/>)

### **Employee Portal / Idaho.gov / IDAweb**

The Department of Administration will highlight enterprise-level, multi-agency cooperative projects and applications utilizing web-based technology.

### **Office of Administrative Rules**

(<http://www2.state.id.us/adm/adminrules/index.htm>)

The Office of Administrative Rules website will be displayed.

### **IDANET** (<http://www2.state.id.us/idanet/>)

The IDANET vision is to establish a reliable, cost-effective, statewide digital telecommunications infrastructure that meets the needs of state agencies, education, local governments, and rural communities in Idaho.

### **Information Technology Resource Management Council (ITRMC)**

(<http://www2.state.id.us/itrmc/>)

Are you connected? Find Internet service in your area with the ITRMC's telecommunications provider database. The ITRMC website will also be displayed.

### **ITTP (Information Technology Training Program)** (<http://ittp.state.id.us/ittp/>)

ITTP provides a centralized IT training resource for IT professionals and other state employees who need technology training.

### **Division of Public Works**

(<http://www2.state.id.us/adm/pubworks/index.htm>)

The Division of Public Works will highlight services offered by its Facilities Services and Design and Construction programs.

### **Division of Purchasing**

(<http://www2.state.id.us/adm/purchasing/index.htm>)

The Division of Purchasing will provide an overview of the state's Internet-based bidding system.

### **Department of Education**

(<http://www.sde.state.id.us/Dept/>)

### **K-12 Education**

A K-12 booth will display specialized geographic information systems (GIS) applications to historical solution-finding GIS field work by Lewiston junior high school students to discover reburial patterns and reconstruct the grave registration of the original city cemetery.

### **State Board of Education**

### **Business Professionals of America**

(<http://www.bpa.org/>)

Filer High School Business Professionals of America's mission is to contribute to the preparation of a world-class workforce through the advancement of leadership, citizenship, academic, and technological skills.

### **Career and Technical Educators of Idaho**

(**CTEI**) (<http://www.ctei.org/>)

Career and Technical Educators of Idaho is the largest state organization dedicated to the advancement of education that prepares youth and adults for careers.

### **Filer Ag/Tech Academy**

Filer Ag/Tech Academy is a program highlighted through Filer High School. The program gives all types of students an opportunity to explore a particular field of interest. The Academy introduces students to occupations in the world of high-tech agriculture, as well as solving community issues.

## Booth Participants, continued ...

---

### **Idaho Public Television** (<http://www.idahoptv.org/>)

Idaho Public Television will present its educational digital television and web offerings.

### **Idaho State Library** (<http://www.lili.org/>)

The Libraries Linking Idaho database project (LiLI-D) provides databases for all Idaho citizens to find articles for consumer, health, general interest, and student and academic research needs.

### **Department of Health and Welfare**

(<http://www2.state.id.us/dhw/index.htm>)

The Department of Health and Welfare will demonstrate its Business Intelligence tools and outline its data warehouse vision.

### **Central District Health Department**

(<http://www.cdhd.org/>)

Central District Health Dept. will showcase its new web-based food establishment inspection result search.

### **Department of Juvenile Corrections**

(<http://www.djc.state.id.us/>)

The Department of Juvenile Corrections will be demonstrating the Idaho Juvenile Offender System, a statewide juvenile offender database used by state and local juvenile justice professionals to manage juvenile cases.

### **Department of Labor** (<http://www.labor.state.id.us/>)

The Department of Labor will demonstrate several Internet applications, including: Initial and Continued Unemployment Insurance Claims, Job Search, Self Registration for Work, and a new Idaho Business Registration System.

### **Idaho Transportation Department**

(<http://www2.state.id.us/itd/index.htm>)

The Idaho Transportation Department will showcase new trucking applications, as well as its online Passenger Car Vehicle Registration Renewal application and others.

### **Idaho Career Information System (CIS)**

(<http://www.idahocis.org/>)

CIS provides information to Idaho residents that helps them to become aware of the world of work, to understand the link between education and work, and to make successful career decisions.

### **Geographic Information Systems (GIS)**

#### **Department of Water Resources**

(<http://www.idwr.state.id.us/>)

A Department of Water Resources ArcIMS (architecture for interactive map server) application will be demonstrated.

#### **INSIDE Idaho** (<http://www.insideidaho.org>)

INSIDE Idaho is the realization of a long held vision by the GIS user community to establish a centralized geospatial data clearinghouse in Idaho. INSIDE Idaho staff will demonstrate geospatial web applications as well as discuss the vision of this valuable digital resource to the state of Idaho.

#### **Office of the Governor** (<http://www2.state.id.us/gov/>)

#### **Division of Human Resources**

(<http://www.dhr.state.id.us/>)

Demonstrated Division of Human Resources applications include: "Apply Online," statewide e-learning programs, DHR's online employee training offerings, and the Division's informative website.

#### **Office of the State Controller**

(<http://www.sco.state.id.us/>)

The State Controller's Office will demonstrate Online Reporting and I-Time.

#### **Office of the Secretary of State**

(<http://www.idsos.state.id.us/>)

The Office of the Secretary of State will showcase its online Internet services, including: Business Entity Status and UCC Lien Status Searches; UCC Financing Statement online filing process; UCC Amendments online filing application; and the online Campaign Disclosure database and scanned reports.

#### **State Tax Commission** (<http://www2.state.id.us/tax/>)

The Idaho State Tax Commission's booth will highlight its external website through a tour of its most frequently visited pages. Tax Commission staff members will also demonstrate the agency's integrated tax processing system called GenTax®.
